

Computing (Information Technology) – Year 2

Can we write on a computer?

Big Idea:

Writing can be done, edited and saved on a computer/tablet using different apps.

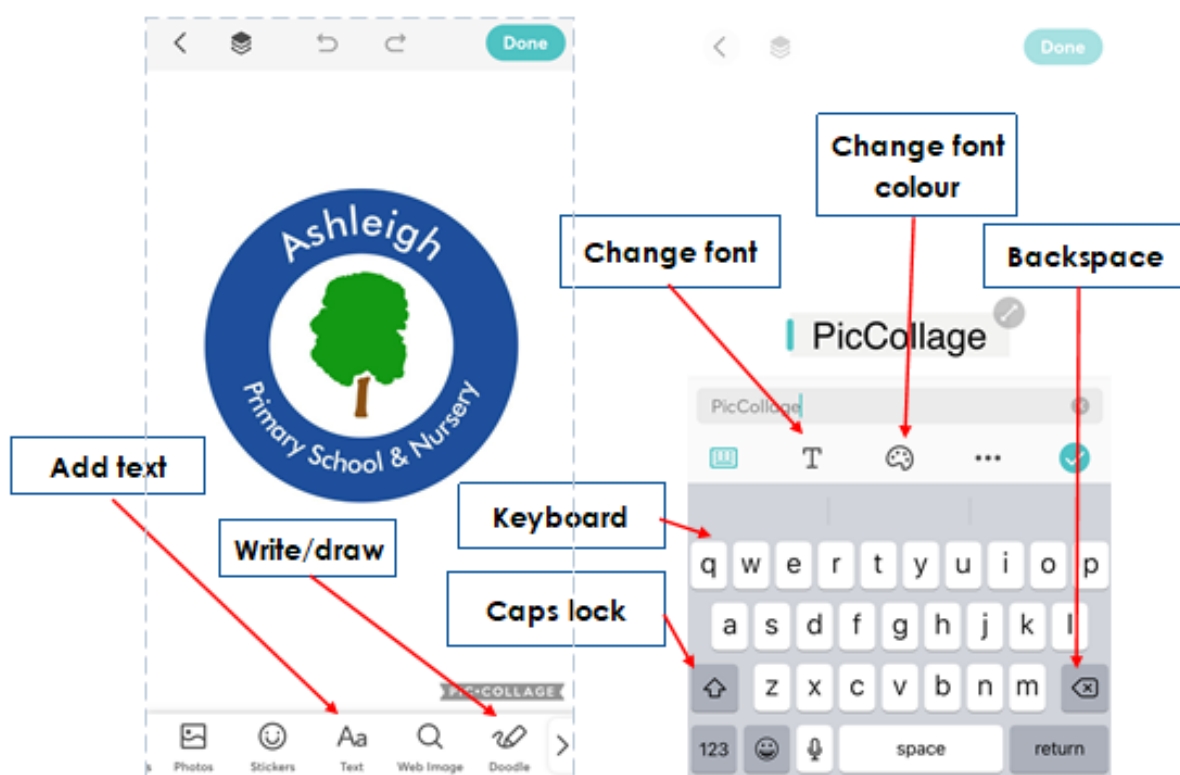

What should I already know?

- How to use a camera on a device.
- That you can save files onto tablets/computers.

What will I know by the end of this unit?

- Be able to open saved files and edit them on a tablet/computer.
- Understand how to add text and a picture to an app and edit them.

PicCollage:

Key vocabulary:

Edit	To change something.
Text	Letters and words that have been typed.
Font	How the letters and words look.
Open	To look at something that has been saved.
Caps Lock	A button used to make letters capitals.
Backspace	A button used to delete letters.
Keyboard	A pad with buttons of letters and numbers on, used to type text.
